**April 27, 2007**

**TO:** Honorable Burt R. Solomons, Chair, House Committee on Financial Institutions

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB3842** by Hilderbran (Relating to the issuance of statements of ownership and location for manufactured homes to certain lienholders without the consent of the owners of those homes. ), **Committee Report 1st House, Substituted**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
--

The bill would amend the Occupations Code to allow a holder or servicer of a mortgage loan that seeks to foreclose a first lien on a manufactured home to apply without the consent of the borrower-owner for the issuance of a new statement of ownership and location that reflects an intent to convert the home from personal property to real property from the Department of Housing and Community Affairs (TDHCA).

Based on information provided by TDHCA, it is assumed that any additional costs related to the duties and responsibilities associated with implementing the provisions of the bill could be covered by utilizing existing resources.

This bill would take effect immediately if it receives a vote of two-thirds of all members elected to each house; otherwise the bill would take effect September 1, 2007.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
